

# Curriculum Vitae

---

**Scarlett Sijia Wang**  
**MSW MPH**

**PhD Student**  
**Columbia University**  
**scarlett.wang@columbia.edu**

---

---

- September 2024 – Present      PhD – Social Policy Analysis  
Columbia University in the City of New York  
New York, NY
- September 2014 – May 2017      MSW – Social Enterprise Administration  
MPH – Epidemiology  
Columbia University in the City of New York  
New York, NY
- September 2009 – July 2013      B.S. – Applied Psychology  
New York University  
New York, NY

## Work Experience

---

- September 2019 – Present  
Associate Research Scientist: Robert F. Wagner School of Public Service, New York University  
Managed the New York State Medicaid claims database. Designed studies evaluating policies and health programs
- September 2018 – May 2024  
Assistant Adjunct Professor: Robert F. Wagner School of Public Service, New York University  
Developed and taught R Coding for Public Policy in the graduate program.
- August 2017 – September 2019  
Assistant Research Scientist: Robert F. Wagner School of Public Service, New York University  
Analyzed the New York State Medicaid claims database. Developed the general profile product – using SQL and SAS to automatically process three years of disease history and other health information.

September 2016 – July 2017

Graduate Research Assistant: New York State Psychiatric Institute  
Analyzed data from a clustered clinical trial of 42 schools in Uganda, aimed at reducing violence against children and improve mental health status of the students

September 2016 – December 2016

Teaching Assistant P8100 Applied Regression: Columbia University  
Mailman School of Public Health  
Taught linear regression analysis to graduate students
