

September 2019

Daniel P. Giovenco, PhD, MPH

722 West 168th Street, Room 940, New York, NY 10032

212-342-0616 | dg2984@columbia.edu

PERSONAL DATA

Birthplace New Brunswick, New Jersey, USA

Citizenship USA

ACADEMIC APPOINTMENTS/WORK EXPERIENCE

Nov 2016 – Assistant Professor (tenure track), Department of Sociomedical Sciences, Columbia University Mailman School of Public Health

Nov 2016 – Faculty Affiliate, Lerner Center for Public Health Promotion, Columbia University Mailman School of Public Health

Nov 2016 – Member, Prevention, Control and Disparities Program, Herbert Irving Comprehensive Cancer Center, Columbia University

Nov 2016 – Faculty, Columbia Population Research Center, Columbia University

Aug 2013 – Oct 2016 Research Associate, Center for Tobacco Studies, Rutgers School of Public Health

Sep 2012 – Aug 2014 Consultant, Project SOL (Sun Safety for Outdoor Laborers), Cancer Institute of New Jersey (PI: Elliot J. Coups, PhD)

Dec 2011 – Jul 2013 Research Assistant, Center for Tobacco Studies, Rutgers School of Public Health

EDUCATION

Sep 2012 – May 2016 PhD in Public Health (Concentration: Social and Behavioral Health Sciences), Rutgers School of Public Health. Dissertation: *The electronic cigarette retail environment in New Jersey and its association with community demographics and youth vaping behaviors*. Chair: Cristine D. Delnevo, PhD, MPH

Dissertation work:

- Giovenco DP, Duncan DT, Coups EJ, Lewis MJ, Delnevo CD. Census tract correlates of vape shop locations in New Jersey. *Health Place*. 2016;40:123-128. doi:10.1016/j.healthplace.2016.05.008.
- Giovenco DP, Casseus M, Duncan DT, Coups EJ, Lewis MJ, Delnevo CD. Association between electronic cigarette marketing near schools and e-cigarette use among youth. *J Adolesc Health*. 2016;59(6):627-634. doi:10.1016/j.jadohealth.2016.08.007.

Sep 2010 – May 2012 MPH, Social and Behavioral Health Sciences, Rutgers School of Public Health

Sep 2006 – May 2010 BA, Health Communication, Spanish, The College of New Jersey

TEACHING EXPERIENCE

Jan 2018 – Instructor, *Designing Public Health Interventions* (graduate course), Columbia University Mailman School of Public Health, Department of Sociomedical Sciences

Sep 2013 – Dec 2016 Instructor, *Principles of Health Education* (undergraduate course), Edward J. Bloustein School of Planning and Public Policy, Rutgers University

Sep 2012 – May 2013 Teaching Assistant, *Health Education and Behavioral Science* (graduate course), Rutgers School of Public Health, Department of Social and Behavioral Health Sciences

HONORS AND AWARDS

Invited scholar and presenter, Brocher Summer Academy in Population-level Bioethics, Brocher Foundation, Hermance, Switzerland, May 28 – June 1, 2018 (*Ethics and nicotine: moral dimensions of harm reduction within tobacco control*)

- One of 40 international scholars invited to participate in discussion and debate surrounding the public health implications of tobacco harm reduction

Trainee, The Population Assessment of Tobacco and Health (PATH) Study Data User Workshop, University of Michigan, August 9-11, 2017

- One of 25 researchers admitted to an intensive, 3-day training on using Wave 1 and Wave 2 PATH Study data files

NIH Director's Early Independence Award, National Institutes of Health, September 2016

- 5-year grant awarded to recent doctoral graduates who have the intellect and maturity to launch directly into an independent research position without the need for traditional postdoctoral training

Scholar, Health Disparities Research Institute, Bethesda, MD, August 15-19, 2016

- Training program sponsored by the National Institute of Minority Health and Health Disparities (NIMHD). Fifty scholars admitted from an applicant pool of over 500 early career scientists

Stuart D. Cook, MD, PhD Student Public Health Research Award, Rutgers School of Public Health, May 2016

- Awarded to a graduating student for outstanding dissertation research

American Public Health Association Student Awards Contest Winner, Public Health Education and Health Promotion Section, November 2012. Abstract: *A community needs assessment for the Healthy Corner Stores Project in Trenton, NJ*

Bernard D. Goldstein, MD Award, Rutgers School of Public Health, May 2012.

- Awarded to students with the highest academic achievement in department

Werner O. Schilling Endowed Scholarship, Rutgers School of Public Health, May 2012

- Awarded to a student with an outstanding fieldwork project on community nutrition

Delta Omega Honorary Society in Public Health, May 2012

Chapter President, Lambda Pi Eta National Communication Studies Honor Society, Alpha Xi chapter, Sep 2009 – May 2010

ACADEMIC SERVICE

Jan 2017 –	Member, Admissions Committee, Columbia University Mailman School of Public Health
Feb 2017	Member, Master of Science in Sociomedical Sciences planning committee, Columbia University Mailman School of Public Health
Aug 2018	Facilitator, “Self, Social, and Global Awareness” (SSGA) training for incoming students, Columbia University Mailman School of Public Health
April 2018	Member, Committee to develop a foundational public health course for incoming academic degree (MS, PhD) students, Columbia University Mailman School of Public Health

PROFESSIONAL ORGANIZATIONS AND SOCIETIES

Memberships and Positions

Society for Research on Nicotine and Tobacco (SRNT)

- Abstract reviewer for SRNT annual meeting (2017-2020)
- Application reviewer for SRNT Health Disparities Network Travel Scholarship (2019)

American Public Health Association (APHA). Section membership: Public Health Education and Health Promotion; Alcohol, Tobacco, and Other Drugs.

Certified Health Education Specialist, National Commission for Health Education Credentialing, Inc.

Editorial Boards

Tobacco Regulatory Science – Associate Editor

Journal Reviewer (ad hoc)

GRANT SUPPORT

Present Support

DP5OD023064, Office of the Director, NIH. *Geographic variation in the diverse tobacco retail environment and its impact on tobacco use disparities*. 09/01/2016 – 08/31/2021 (\$1,250,000 (D)/\$1,987,500 (T)). (Role: Principal Investigator)

Subcontract on U54CA229973, National Cancer Institute, NIH/FDA Center for Tobacco Products. *Examining the effects of advertising, packaging and labeling on perceptions, use and exposure of combustible tobacco products*. 09/14/2018 – 08/31/2023 (\$213,739 (D)/\$341,983 (T)). (Role: Principal Investigator, Tobacco Industry Marketing Core)

Subcontract on R01CA231139, National Cancer Institute, NIH. *Adoption, diffusion, and implementation of Tobacco 21 policies to address health disparities*. 07/01/2019 – 06/30/2020 (\$41,975 (D)/\$68,000 (T)). (Role: Principal Investigator)

Past Support

R01CA190444, National Cancer Institute, NIH. *Physicians' perceptions, attitudes, and communication of e-cigarettes*. 06/01/2015 – 05/31/2020 (\$1,844,181 (D)/\$2,932,248(T)). (PI: Delnevo, Role: Co-investigator)

P30CA072720-17S1, National Cancer Institute, NIH/FDA Center for Tobacco Products. *Impact of cigar product characteristics on young people's cigar use and perceptions*. 03/01/2014 – 02/28/2016 (\$292,282 (D)/\$466,320 (T)). (PI: DiPaola, Role: Co-investigator)

Contract from New Jersey Department of Health. *Evaluation of NJ's tobacco control initiatives*. 07/01/2014 – 06/30/2017 (\$914,299 (D)/\$1,005,729 (T)). (Role: Project Coordinator for Point-of-Sale Project)

R21CA159160, National Cancer Institute, NIH. *Understanding the growth in moist snuff: A mixed methods study*. 07/01/2011 – 06/30/2014 (\$239,250 (D)/\$373,230 (T)). (PI: Delnevo, Role: Research Associate)

Subcontract on HHSN 27120110027C, National Institute on Drug Abuse, NIH/FDA (awarded to Westat). *Population Assessment of Tobacco and Health ad hoc project: Using e-cigarette market trends to inform PATH*. 07/01/2013 – 6/30/2014 (\$35,570 (D)/\$56,261 (T)). (Role: Research Associate)

Subcontract on HHSN 27120110027C, National Institute on Drug Abuse, NIH/FDA (awarded to Westat). *Population Assessment of Tobacco and Health ad hoc project: Preference for flavored cigar brands among youth, young adults and Adults in the United States*. 07/1/2012 – 05/31/2013 (\$4,000 (T)). (Role: Research Associate)

EDUCATIONAL CONTRIBUTIONS

Fieldwork/Practicum Supervising

- Jouelle Robinson MPH practicum: *Assessing Point-of-Sale Marketing of Non-Cigarette Tobacco Products in New Jersey Stores*. Rutgers School of Public Health, May 2014.
- Erin Miller Lo MPH practicum: *Associations between Tobacco Retailer Density and Community Demographics: An Analysis of Nine New Jersey Cities*. Rutgers School of Public Health, May 2015.
- Sarah Chew MPH practicum: *Needs Assessment for a Health Communication Campaign to Refresh Columbia University Medical Center's Smoke-Free Air Policy*, Columbia University Mailman School of Public Health, June 2017.

Thesis Sponsorship

- Sarah Chew MPH thesis: *Understanding Smoke-Free Policy Non-Compliance: A Needs Assessment Proposal for the CUMC/NYP Smoke-Free Policy*, Columbia University Mailman School of Public Health, May 2018.
- July Merizier MPH thesis: *Identifying Risk Factors to Address Cigar Use Among Black/African-American High School Students in Manhattan*, Columbia University Mailman School of Public Health, May 2018.
- Ashley Joseph MPH thesis: *Predictors of 30 Day Readmission in African American Adults Hospitalized for COPD*, Columbia University Mailman School of Public Health, May 2018.
- Tess Solomon MPH thesis: *Evaluation of the "Maternal Health Advocate" Program within a Network of Federally Qualified Health Centers in New York City*, Columbia University Mailman School of Public Health, May 2019.
- Garrison Daly MPH thesis: *The Social Vulnerability Index as a Predictor of Behavioral Health in Rural and Urban America: A Case Study in Montana and New York*, Columbia University Mailman School of Public Health, May 2019.
- Nicole Albanese MPH thesis: *Examining Generational and Geographical Variation in Violent Firearm Deaths with an Age-Period-Cohort Analysis*, Columbia University Mailman School of Public Health, May 2019.

INVITED PRESENTATIONS

Speaker, Research Seminar Series, University of Wisconsin Joseph J. Zilber School of Public Health, Milwaukee, WI, April 3, 2019. Title of talk: *Engaging community partners in research on neighborhood determinants of health.*

Speaker, New York City Department of Health and Mental Hygiene. "Race to Justice" lecture series on racial equity and social justice. July 18, 2018. Title of talk: *Health disparities in a new tobacco landscape.*

Speaker, Brocher Summer Academy in Population-level Bioethics, Brocher Foundation, Hermance, Switzerland, May 30, 2018. Title of talk: *Harm reduction and health disparities.*

Speaker, Columbia University Mailman School of Public Health, Lerner Center for Public Health Promotion's "Lunch & Learn" seminar series, November 20, 2017, New York City. Title of talk: *Tobacco Marketing in NYC: Neighborhood profiling and its health consequences.*

Invited Lecturer, Hanoi University of Public Health in Hanoi, Vietnam, October 18, 2017. Title of talk: *Health and Place: Studying the association between community features and health behaviors.*

Speaker, "Turning the Tide: A New Generation of Public Health Interventions," a conference sponsored by the Lerner Center for Public Health Promotion, April 28, 2017, New York City. Title of talk: *Community Mapping and Utilizing Geographic Data.*

Expert Speaker, National Academy of Medicine's Committee to Review the Health Effects of Electronic Nicotine Delivery Systems (ENDS), February 21, 2017, Washington DC. Title of talk: *Electronic Nicotine Delivery Systems: Patterns of Use and Disparities.*

- Presented population-level data on patterns of ENDS use and disparities in harm reduction behaviors at a workshop funded by FDA's Center for Tobacco Products

Speaker, Columbia University Mailman School of Public Health, Department of Sociomedical Sciences' "Food for Thought" seminar series, February 7, 2017, New York City. Title of talk: *Different Smokes for Different Folks: How Lower Risk Tobacco Products May Exacerbate Health Disparities.*

Webinar Presenter, Region 2 Public Health Training Center, February 6, 2017, New York City. Title of talk: *Non-cigarette tobacco products: Patterns of use and community-level prevention strategies.*

- Broadcast nationally to governmental health employees and other members of the public health workforce

Speaker, Pediatric Grand Rounds at University Hospital, April 22, 2016, Newark, NJ. Title of talk: *Changing epidemiology of youth tobacco use.*

Keynote Speaker, TEDx Conference at the Blair Academy, November 11, 2015, Blairstown, NJ.
Title of talk: *E-cigarettes: A Disruptive Technology*.
