

Date of CV Preparation

June, 2019

Personal Data

Name: Peter Muennig
Birthplace: United States
Citizenship: United States

Work Experience

Director, Global Research Analytics for Population Health, Columbia University, 2015-Present
Health Policy & Management, Mailman School of Public Health, Columbia University:
Professor, 2017-Present (Tenure)
Associate Professor, 2011-2016 (Tenure)
Assistant Professor, 2004-2011
Robert Wood Johnson Foundation, Health and Society Scholars Core Faculty, 2010
Columbia Population Research Center, Columbia University School of Social Work, Faculty, 2010-Present
Institute for Social and Economic Research and Policy (ISERP), Columbia University, Faculty, 2007-2012
Center for the Study of Social Inequalities and Health, Mailman School of Public Health, Affiliated Faculty, 2008-2014
City University of New York School of Medicine, Assistant Professor, 1999-2004

Education

University of California, San Diego, Medical Doctor, 1989-1994
Columbia University, Masters in Public Health, 1998

Training

New York City Department of Health/Columbia University Residency Program in Preventive Medicine, Preventive Medicine, 1998

Licensure

New York State #203682

Board Qualification

Preventive Medicine, 2000

Honors

A. Awards, Fellowships, and Scholarships

Association of American Indian Physicians Scholarship, 1985
CIBA-GEIGY Award, 1990
Malvin Williams Memorial Scholarship, 1991
Weiss Scholarship, 1991
Educational Opportunity Program/Student Affirmative Action Award, 1991

American Academy of Family Practice Scholarship, 1993
 Kellogg/National Medical Fellowship, 1993
 Hispanic Center of Excellence Traineeship, 1993
 American Academy of Family Practice Scholarship, 1994
 Associate Fellow, New York Academy of Medicine, 1999-2004
 Calderone Junior Faculty Award, 2004
 Outstanding Student Evaluations (Davidson and Lapp), Mailman School of Public Health, Columbia University, 2004-2010 (One for every class taught.)
 Nominated for Mailman School Early Career Teaching Award, 2006, 2010
 Columbia University Minority Research Fellowship, 2007
 Academy of Distinguished Teachers, 2008
 ASPH/Pfizer Early Career in Public Health Teaching Award, 2008
 Glenda Garvey Teaching Academy, 2010
Health Affairs most read article, 2010
 Appointed to Hanwang Initiative Health Panel, 2012 (To help design a healthy city in China)
 Time Magazine's best 10 ideas, 2015

B. Invited/Paid Lectures (Partial List)

11/30/22

Mentored Research Scientist Development Award

\$166,010

Multi-level associations between medical marijuana laws and substance use disorder treatment

The goal of this Mentored Research Scientist Development Award (PA-16-190) is to estimate associations between medical marijuana laws and substance use disorder treatment using multiple existing data sources, which can inform the effect of changing marijuana policy on health care use across racial/ethnic groups

Role: Co-Mentor

The U.S. Department of Housing and Urban Development (Y. Aratani) 02/05/18-02/04/20 .60 CM

Housing Subsidies and Healthy Child Development

\$140,625

The overall goal of this study is to advance scientific knowledge on whether and how housing subsidies influence early child development and exposure to adverse childhood experiences (ACEs), and how the benefit of housing subsidies can be strengthened through additional services such as home visiting programs.

Role: Co-Investigator

Teaching Experience and Responsibilities

Courses taught at Columbia University

1. HPMN P8577 Health Policy in the Global Context (12 years)

2. HPMN P8588 Health Policy and Health Disparities (12 years)
3. PHGH P6810 Introduction to Global Health (6 years)
5. HPMN P8590 Tutorial (45 students tutored in total)
6. Regular guest in medical school courses, other SPH courses (~45 lectures total)
7. Comparative Health Systems (2 years, core course)
8. Advanced Health Policy Seminar

Mentorship

2 K Awards

6 Doctoral Committees

10 Masters Theses

Hundreds of individual advisees

Report of Clinical and Public Health Activities and Innovations

Organizations and Projects I have Founded:

1. Founder: *Burmese Refugee Project, Inc. (www.kwahdao.org), 2000-Present.* This organization provides public health and education services to two ethnic Shan refugee communities on the Thai-Burma Border. I oversee a staff and board of 16 people. (Note: we are now called *Kwah Dao, Inc.*)
2. Founder: *Banyan Center, Thailand. 2010-present.* The Banyan Center is a Montessori-based school that integrates ethnic Shan and expatriate students in the same classroom.
3. Founder: *Program in Cost-Effectiveness and Outcomes (www.pceo.org), 2000-2016* a free online resource for not-for-profit agencies interested in evaluative research. (Note that this has now been moved to Wiley.com.)
4. Founder: 2008 General Social Survey-National Death Index dataset. (<http://gss-ndi.blogspot.com>). I was responsible only for mortality linkage to create a health dataset out of a social sciences dataset. A large number of publications have arisen from this dataset, which is presently being updated to the 2014 General Social Survey-National Death Index dataset.

Participant and Advisory Roles:

Participant: *Capabilities Theory Working Group, Columbia University, 2006-2008.*

Member: Multi-disciplinary group to evaluate the efficacy of New York City's urban health initiatives.

Senior Advisor: Obesity Prevention Initiative (OPI). I am one of 11 advisors on this Mailman-based initiative that is funded by the dean's office.

Peer Reviewer:

National Institutes of Health (ROI), 2003, 2015

Over 800 articles reviewed. Journals include The Lancet, JAMA, AJPH, SSM.

Interview and review Robert Wood Johnson Foundation Health and Society Scholars

Review proposals and mentor National Institutes of Health KM1 applicants

B. Student Advocate

Faculty Advisor

Students for Responsible Globalization (New School University), 2000
Global Health Forum (Columbia University), 2004-2012
Asian American Association for Health (Columbia University), 2012-Present

C. Consultancies

University of Santiago, Chile. Assisted in the development of a Social Medicine Residency Program. 1996.

Centers for Disease Control and Prevention. Developed a study on the cost-effectiveness of screening recommendations for immigrants to the United States. 1998-1999.

Health Canada. Examined the cost-effectiveness of screening recommendations for immigrants. 1999.

New York City Department of Health Refugee Health Program. Developed a screening protocol for refugees to New York City. 2000.

Brigham and Womens Hospital, Harvard University. Mentored faculty on the design of a Markov model. 2004.

Robin Hood Foundation. Muennig P, Glied S. Estimated the health benefits produced by Robin Hood Foundation grant recipients. 2005.

Agency for Health Research and Quality. Participated in a working group on public perceptions of cost-effectiveness analysis. 2004-2005.

Healing the Divide, Richard Gere Foundation. Conducted a program evaluation for a non-governmental organization providing insurance for Tibetans living in India. 2005.

International Health Leadership. Improving health management systems within China. 2010-Present

Alliance for Education. Understanding the association between education and health, and the cost implications for Medicaid. 2005, 2012.

Beijing Municipal Government. What lessons can be learned from comparative health systems. 2012

Hanwang Forum. Consultant to building a city in Sichuan, China. 2012-2014.

Robin Hood Foundation. Muennig Ongoing consultancy services that allow the foundation to better prioritize their funding allocation. P. 2015.

D. Other

Senior Researcher, Global Political Economy Research Unit, 2005

Organizer, Frontiers in Public Health Policy in Developing Nations conference. Columbia University, 2006.

Arranged to have the Strengths and Difficulties questionnaire translated into the Shan language.

Conducted a roughly \$2,000,000 randomized controlled trial for \$250,000, demonstrating that efficiencies can be gained in public health research via the use of automation.

Languages

Fluent: English, Spanish,
Intermediate: Mandarin Chinese
Basic: Thai

Selected Media Appearances

My work has been shown/discussed on BBC, CNN, MSNBC, NPR (multiple stories), ABC, and CBS, and written in the *New York Times* (15 articles), *The Washington Post*, *The Wall Street Journal*, *the Chicago Tribune*, *The Economist*, *New York Magazine*, *USA Today*, *The San Diego Tribune*, CNN.com, *Vice*, *Vox*, *The Atlantic*, and multiple international sources including *The Guardian*. I am proud that outlets ranging from Fox News to *The Nation* have covered my work.
